BRIEF OF EVIDENCE - A01

File:GJI 08022025

Subject: Crimes Against Humanity, False Oaths, Sedition, and Treason by THE AUSTRALIAN GOVERNMENT, Parliament officialdom, judiciary and public servants named on the participation form

Prepared for: Grand Jury Indictment Proceedings
File No; GJI 08022025

Date: _____

1. INTRODUCTION

This brief of evidence establishes a lawful basis for the indictment of THE AUSTRALIAN GOVERNMENT, Parliament officialdom, and public servants for violations of international and domestic law. The evidence demonstrates reasonable suspicion of crimes, including false oaths, sedition, treason, and crimes against humanity, particularly regarding the release of harmful, untested mRNA vaccines upon the Australian population, constituting democide under international law and Rule of Law and all are Equal Before the Law.

2. BASIS OF JURISDICTION

International Law: The Nuremberg Code, Rome Statute of the International Criminal Court (ICC), and Universal Declaration on Bioethics and Human Rights outline legal protections against forced medical experimentation and crimes against humanity.

Commonwealth Law: Violations of The Commonwealth of Australia Constitution Act 1901, including misfeasance in public office, breach of fiduciary duty, and high treason under Section 44(i) & (ii).

Customary Law & People's Court: Sovereign right of The People to uphold justice in a lawful rebellion against government overreach and corporate misconduct.

3. FALSE OATHS AND VIOLATION OF PUBLIC TRUST

THE AUSTRALIAN GOVERNMENT and public servants have taken oaths of allegiance to the titular Queen of Australia and corporate entities rather than to The People of the Commonwealth.

Under Section 44 of the Constitution, Members of Parliament who have pledged loyalty to foreign powers or corporate structures violate their sworn duty and the question today is that the Officialdom on the participation form be indicted for false oaths, sedition, treason, and crimes against humanity, particularly regarding the release of harmful, untested mRNA vaccines upon the Australian population, constituting democide under international law.

Evidentiary Support: Official records of swearing-in ceremonies demonstrate the deviation from lawful constitutional governance. VIDEO 1 - Prime Ministers swearing to Queen of Australia

4. SEDITION AND TREASON AGAINST THE PEOPLE

The Government of the Commonwealth of Australia is clearly not THE AUSTRALIAN GOVERNMENT, and THE AUSTRALIAN GOVERNMENT is an unelected foreign Government of political subdivision it has systematically undermined the sovereignty of The People by enacting corporate governance policies inconsistent with the Commonwealth Constitution Act 1901 ignoring S128 and not following Rule of Law.

Unlawful Legislation: The conversion of Australia into a corporate entity through the **Royal Styles and Title Act 1973** raising the fraudulent corporate titular Queen of Australia, **The Australia Act 1986** and amendments to governance structures demonstrates clear intent to deceive The People. Documents proving the shift from a lawful government to a corporate entity registered in foreign jurisdictions (e.g., U.S. Securities and Exchange Commission).

5. DEMOCIDE: CRIMES AGAINST HUMANITY UNDER INTERNATIONAL LAW

THE AUSTRALIAN GOVERNMENT, in collaboration with pharmaceutical corporations, released mRNA vaccines without lawful informed consent, violating the Nuremberg Code.

Coercion & Mandates: Australians were threatened with loss of employment, restricted travel, and financial penalties for non-compliance if they did not comply with THE AUSTRALIAN GOVERNMENT Mandates while terrorising businesses to enforce their onerous rules and legislations.

Evidentiary Support: THE AUSTRALIAN GOVERNMENT contracts with pharmaceutical companies exempting them from liability for adverse effects, official health data showing an unprecedented rise in deaths and injuries post-vaccine rollout and THE AUSTRALIAN GOVERNMENT PARLIAMENT exempted themselves from mandatory Covid Injections.

6. CONCLUSION & CALL TO ACTION

The burden of proof in lawful Grand Jury Trials requires only a reasonable suspicion or probable cause to proceed. The provided evidence demonstrates:

Government officials have breached their oaths of office and acted in contradiction to the Constitution Act 1900 and referendum accepted by The People of Australia .

Sedition and treason have been committed by altering governance structures without knowledge clearly given to The People and/or referendum consent by The People .

Crimes against humanity have occurred through the forced administration of untested medical products, leading to widespread harm and death.

The People's Court calls for the question to be answered, not to indict meaning no further action required or to indict leading to prosecutions of those responsible for these violations outlined further in this document

The People's Court commences

Commonwealth of Australia Constitution Act 1900 (UK) is the supporting terms and conditions to the Letters Patent, and is our original Commonwealth of Australia Constitution which sets out the law of how this Country is permitted to run. It is evidenced that any changes to this, required a referendum of the people - yet this was not done consistently.

1960: The Seal Change - Act of Treason

What has replaced the Great Seal of The Commonwealth of Australia, without the Peoples consent, our knowledge or our authority?

So the question is, Who or what is governing this country?

A recent 2024 Freedom Of Information (FOI) to the Attorney-General requesting the instrument that overrides, suspends or terminates the Great Seal of the Commonwealth of Australia and the indissoluble Federal Commonwealth under the Crown of the United Kingdom as qualified in the Constitution, was lodged to the Attorney-General department of FOI who responded with -

"The documents do not exist within the departments record holdings."

see Rod Culleton site - <http://www.greataustralianparty.com.au/archives/689>

so they refused access pursuant to Section 24 A of the FOI Act because they don't have the documents. So how has this country gone on to make any enforceable laws or legislations since 1960? How did the Great Seal get removed?

How and where do the Police, the Judiciary, the Politicians, the Local Councils and evil Child Protection, who are CLAIMING to have authority in this country actually get their authority from?

It is the Father of Lies. *"You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he speaks a lie, he speaks his native language, for he is a liar and the father of lies"*

THEY HAVE NO GRANT OF POWER OR LAWFUL AUTHORITY

Commission under Our Sign Manual and Signet has never been changed by Law.

William Shepherd Dunrossil Governor-General Royal Sign Manual has **No Signet**

This Commission changed Our Commonwealth of Australia Constitution Act and allowed treasonous Private Corporate Political Parties to ;**copyright © our Commonwealth of Australia Constitution Act which 'hijacked' our Primary Law replacing it with Private Corporate Political Party- Legislations, Statutes and private Acts - these are not Law.**

The swearing in of this fraud by the Governor-General (Commander-in-Chief) by the Chief Justice of the High Court of Australia at that time, (Herbert Evatt 1960), removed all Crown and Constitutional Authority from all Courts.

Our men and women were sent to the Vietnam war with lives lost due to the criminal activity of treasonous private corporate political parties; borrowing and paying our Defence Force in fiat decimal point currency; Reserve Bank Act 1959. So who gave this authority to conscript our men and woman? These treasonous courts, no longer guardians of the Constitutions, are accountable for the treasonous political parties sending the honourable men and women of the Defense Force to war against Vietnam. Our Defense Force is for the defence of the Commonwealth of Nations.

Research was carried out into the seal illustrated below:-

Research Finding No. 1:-

The former Governor-General Ms Quentin Bryce was asked if the seal as shown above was the seal referred to in the Commission given by Queen Elizabeth II to Ms Quentin Bryce, to which an administrative assistant from Government House in Canberra replied that the seal as shown above:-

"is the same seal as the one that is on the Governor-General's Commission"

Research Finding No. 2:-

The Garter King of Arms at the College of Arms in London was asked if the seal as shown above, which has been described as the Great Seal of Australia, is recognized in British law and can be used by the Queen of the United Kingdom, to which The Garter King of Arms of the College of Arms stated:-

*"The devise submitted does not incorporate any Royal Arms.
These are the Armorial Bearings of the Commonwealth of Australia.
Her Majesty is described
as Queen of Australia on the seal and not Queen of the United Kingdom."
"I do not have any relevant record in my office."
"There are scores if not hundreds of Letters Patent of Armorial Bearings
that have been issued to Australian citizens or Australian corporate bodies
of which The Queen is described as Queen of Australia."*

Corporations made by Members of Political Parties control all sections of Parliaments, Governments and Courts "of Australia" whereas from 1st January 1901, the people "of the Commonwealth of Australia" are to live under a Constitutional Monarchy.
(Page 64 of 142)

Political Parties acted in High Treason and the punishment:

To get around this, they copyrighted Our Primary Law Commonwealth of Australia Constitution Act = High Treason, then changed Constitutional definitions, creating another Commonwealth of Australia as the 'status' for their Commonwealth of Australia as a sovereign, independent and federal nation and Laws to enforce their Political private agenda which is Treason = their Family Court of their Australia, their Federal Court of their Australia; their High Court of Australia Act 1979, to create their Treasonous Political Party High Court of their Australia, the private politicians removed the Seal and Constitution of Our High Court = High Treason.

In 1985 all States enacted, Australia Acts (Request) Act = Total Treason and Crimes Against Humanity, their private courts in this nation today, sit in Total Treason of the worst kind.

Treason and Their Changes to the Laws of Australia (No referendum)

- Political Parties using Treason took control of the Governor-General and Commander-in-Chief in the Proclamation 1960, this removed Royal assent from all Acts, therefore that changes Our Primary Law, Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted.
- No Referendum was held = Treason.
- All Original State Constitutions (Imperial Acts) changed their Constitutions without Referendums, also = Treason. **Therefore the Death penalty still stands.**
- In 1965 all State Governors and the State Parliaments created Acts to enact the Dollar outside Our Primary Law, Commonwealth of Australia Constitution Act 1901 as Proclaimed and Gazetted.
- (Private Corporate) Political Parties took ownership off all State Governors.

The Queen of England signing at the top evidencing that she is over and above this document and this document required a referendum at S128 of The Commonwealth of Australia Constitution Act and must be approved by the electors because its altering The Constitution Act, yet no referendum was offered.

NOTE: at the end of this document IN THE NAME OF HER MAJESTY, I assent to this ACT, has a line through it and has been crossed out.

QUEEN OF AUSTRALIA FRAUD and TREASON ON WE THE PEOPLE

In 1973 the private corporate political party parliament, whilst sitting in The Peoples white originating Parliament House, removed the living Queen from their Acts, creating a paper Queen overlayed on top of the Constitutional Commonwealth of Australia 1900.

They intentionally deceived The People with this paper corporate abstract titular Queen of Australia thus Australian Citizens and the Australian government themselves swear their fraudulent Oaths (eg, Governor-Generals, State Governors Politicians, Judiciary, Police, Sheriffs and Military to a corporate capitalised dead entity QUEEN OF AUSTRALIA TO THIS VERY DAY.

This is a deceitful treasonous fraudulent act on We the Living People of this nation that was performed with Mens Rea (an act done with a guilty mind).

These treasonous private corporate political parties are still trying to get their unauthorised paper **QUEEN OF AUSTRALIA** recognised as they have been fraudulently and deceitfully swearing their Oaths to their corporate fraud QUEEN OF AUSTRALIA since 1973.

It is alleged they have unlawfully positioned themselves into a fake authority gaining financial advantage by deception held to their unlawful Acts, Legislations and Statutes

It is alleged this is all deliberate deceitful pure evil TREASON & FRAUD ON We The People of this Nation

THE AUSTRALIAN GOVERNMENT AND PARLIAMENT told us the they need a referendum to enact this non living paper Queen of Australia in 1988, in their Final Report of The Constitution Commission Volume 2 Pages 977 and 978, and exhibited here in this evidence brief on pages 13 and 14, yet they did this fraud and treason behind The People's backs with out referendum consent when Whitlam in 1973 created the abstract Queen of Australia

This voids all Acts and any enforcement is null and void and merely a dark fraudulent hoax of authority continuing to this very day.

Evidence that the Australia Act 1986 (Cth) is 'finished'

The Australia Act 1986 (Cth) fraudulently removed Crowned Queen Victoria Letters Patent and gave that ultimate power and full control of this nation to THE AUSTRALIAN GOVERNMENT and Officialdom (the Private Political Party Corporations), without elector referendum consent, in clear breach of S 128 The Constitution Act 1901 = **TREASON**

Forcing their Private Political Party Corporation Republic onto We The People of this nation by the deception of 'smoke and mirrors' ending the Constitutional Monarchy by covertly destroying our Primary Law and all remaining Constitutional provisions for appeals from Australian Courts to the Privy Council in London.

Status: Current legislation

Research was also carried out into the seal illustrated below:-

Armorial Bearings of the Commonwealth of Australia granted under Royal Warrant of 19th September 1912 by the King's Most Excellent Majesty, King George V, for use by Public Functionaries, NOT for sealing Acts, not giving Royal Assent after Bills have been passed by the Senate and the House of Representatives of the Commonwealth of Australia in the Parliament of the Commonwealth of Australia.

The coloured kangaroo and emu seal above was ONLY meant to be FOR USE BY PUBLIC FUNCTIONARIES:- that means by Public Servants, NOT meant to be used for sealing Acts, not giving Royal Assent after Bills have been passed by the Senate and the House of Representatives in Parliament, all that type of use of this seal is both fraudulent and treasonous - the current seal being used for Sealing Acts is a black kangaroo and emu with a Roman wreath owned by the Private Corporate Political Parties and is a Private Corporate Seal and is a fraudulent seal to The People.

1) In 1960 THE AUSTRALIAN GOVERNMENT removed the people's Great Seal of The Commonwealth of Australia and replaced it with The Great Seal of Australia.

2) In 1966 THE AUSTRALIAN GOVERNMENT did not ask The People, their Masters, if they could remove the asset backed pound and replace it with a worthless fiat decimal point currency The Australian Dollar, without a referendum.

3) In 1973 THE AUSTRALIAN GOVERNMENT, the dark authorities, by stealth, did not ask We The People about installing their fraudulent, corporate, private titular, paper, Queen of Australia and installed their private corporate Acts with their private seals. as outlined in **The Royal Styles and Titles Act 1973**. The Queen of Australia is still requiring a referendum for the approval of the electors.

4) In 1986 We The People were not asked about the Australia Act 1986 removing Queen Victoria's Crown Law Letters Patent and by stealth replaced them with Bob Hawke's - John Howard's - Kevin Rudd's - Private Ultra vires Letters Patent not of the Crown.

5) "We The People said NO to a Republic in 1999", and Yes to remain a Constitutional Monarch (run by the People for The People) .

This means they are not having referendums as per required in Section 128 of The Commonwealth Constitution Act, THE AUSTRALIAN GOVERNMENT are not consulting The People when passing Laws and Legislations and allocating funds, this means we are in a dictatorship and are functioning as slaves to the current regime.

The People do not wish to fund for profit wars and foreign interests.

The Evil Deceptions of THE PARLIAMENT OF AUSTRALIA

(an unelected foreign government of political subdivision)

Through calculated and deceptive changes in language, THE PARLIAMENT OF AUSTRALIA has unlawfully seized control over this land, its people, and its vast resources, this occurred under the guise of an alleged lawful governance, they have embezzled the “common-wealth” belonging to all Australians.

How did they do that you may ask?

The answer lies in the Statute Law Revision Act 1973 No. 216 of 1973, where they covertly removed the phrase “of the Commonwealth.” This seemingly minor edit was a deliberate move in an entire corporate takeover — a betrayal that has wrongly empowered this unelected corporate system of fraud now weaponised against the very people it claims to serve and protect.

Police and public servants—once trusted as guardians of public safety—have been deceived into serving as enforcers for organised secret societies operating a criminal government cartel, instead of upholding their oath to serve and Protect The People, they now turn their weapons and unlawful authority against The People, using intimidation and, in many instances lethal force.

All of this is done without The People’s consent or knowledge, utilising unapproved legislation, in clear breach of their fiduciary duties, with no regard for fundamental Human Rights or rule of law such as; do no harm and all are equal before the Law; instead of serving and protecting the people, they are paid to uphold a fraudulent cartel disguised as government — one that thrives through deceit, coercion, embezzlement and control.

THE PARLIAMENT OF AUSTRALIA – A Criminal Fraud GANG Since 1973

Since 1973, THE PARLIAMENT OF AUSTRALIA has operated without the lawful consent of the people. It is a criminal cartel, engaged in criminal activity, warfare and law-fare against The People including systematic asset stripping Trespass and Human Trafficking.

The Police and Military — once defenders of public welfare — are now oath-breaking occupiers, operating under false allegiance to a foreign corporate entity deceptively trading as The AUSTRALIAN GOVERNMENT, a Foreign Government of Political Subdivision fraudulently administering this nation.

Here you will find damning prima facie evidence of legislative fraud—their legislations are installed without the required consent of a referendum—inside the Statute Law Revision Act - No. 216 of 1973, there has been deceptive changes to approx 425 Acts;

1. No Seal of Authority or Head of Power and incorrect manner and form on the title page.
2. Unlawfully and without elector consent the Acts Interpretation Act 1901 was altered by removing the word “Governed “ and inserting the word “Administered”. relating to The People of this nation.

3. Removed “Great Seal of the Commonwealth” and replaced it with “ Great Seal of Australia” in The Crimes Act 1914 - 1966 and The Royal Commissions Act 1902 - 1966.

4. **252** instances where the phrase “of the Commonwealth” was removed.

5. **226** removals of the phrase “a territory of the Commonwealth”, replaced deceptively with “Territory.”

The phrase “of the Commonwealth”, which lawfully means “Public Welfare General Good” — for the People under The Constitution Act 1900, held to Common Law — was stripped to undermine the principle of governance by The people and replaced it with corporate slavery, fraud, extortion and unlawful rule over the people by unelected corporate administrators. In short, the word “Commonwealth” has been hijacked, no longer used in its lawful sense to represent the People and their rights. It has been re-branded by the corporate entity THE AUSTRALIAN GOVERNMENT to refer instead to their own private Corporate Commonwealth, and internal legal fictions and corporate interests.

There is not only a Government of the Commonwealth of Australia, there is also an United States owned Corporation called COMMONWEALTH OF AUSTRALIA; (Refer to page 19 of this 1st revised edition, COMMONWEALTH OF AUSTRALIA registered in WASHINGTON D.C 20549, their Private Corporate Business.)

They hold no true title to this land, they possess no lawful land grant title deed, no valid territorial purchase — not even a Louisiana-purchase style agreement to administer this nation. As such, they hold no jurisdiction, no lawful authority, and no power to govern the People or seize our assets.

Every action taken under this false governance is treason, theft, deception, and betrayal upon The People, a complete and unlawful usurping of power from the true People of this nation.

See evidence below of the deceptions in the extracts from; **STATUTE LAW REVISION ACT 1973** **No. 216 of 1973;**

Gypsy,

Having refreshed my knowledge of Article 2 of the Geneva Convention and taking into account the actions of the un-elected government of 1975 in regards to the bloodless coup de tat undertaken in Canberra on November 11, I am more aware of my role as an armed occupier of these lands. My position as an agent of the Crown is juxtaposed with my role as an armed occupier. Clearly under the Geneva Convention I am at war with my own Government, the Crown and myself. I patiently await the arrival of agents from a foreign land as they arrive to extradite me to an International Court, possibly in the Hague, where I may be held accountable for my actions.

In the meantime I will assume the status of 'hors de combat'. As such I can no longer engage in this futile battle with you, as entertaining as it has been, and I too invoke my rights as recognised by the Lieber Code of 1863 and Article 2 of the Geneva Convention of 1949 and it's protocols...

You are now barred from contacting me in any format.

Regards,

David (hors de combat)

Oxford Dictionary:- Treason n.the crime of betraying one's country, especially by attempting to kill or overthrow the sovereign or government;

Treachery: is the act of intentionally breaking a trust or confidence that has been placed in someone. It can also be defined as a violation of allegiance or faith

“Ignorance of the law is NO excuse”

The Criminal Code Act 1995 has the fraudulent Kangaroo and Emu Seal making the Act invalid and a total fraud

and S 268.121 and S 268.122 are an abomination of lawful rights for The People and has been another contributor to the current genocide/democide we find ourselves in.

Section 268.121 of the Criminal Code Act 1995 stipulates that proceedings for offences under Division 268 (which covers crimes against humanity, genocide, and war crimes) cannot be commenced without the written consent of the Attorney-General; essentially meaning the Attorney-General must give permission before prosecution can begin for these serious international crimes.

Section 268.122 of the Criminal Code Act 1995 (Cth) prevents the appeal, review, or questioning of the Attorney-General's decision. This decision is made in relation to proceedings brought under Division 268 of the Criminal Code, which covers war crimes, genocide, and crimes against humanity.

Explanation

Section 268.122 prevents the questioning, appeal, or review of the Attorney-General's decision.

The Criminal Code Amendment (Genocide, Crimes Against Humanity and War Crimes) Bill 2024 proposes to repeal section 268.122.

The Bill aims to ensure that Australian federal legislation is consistent with Australia's international law obligations.

Some argue that sections 268.121 and 268.122 prevent the prosecution and punishment of international crimes.

Others are concerned with the barriers to justice these sections create for victims of crimes and that these Sections are allowing the current Attorney General Mark Dreyfus to block and prevent any Genocide/ democide or other crimes against Humanity being reported and acted upon in the International Criminal Court.

-End-

This report is about the malfeasance and harmful operation of the Australian so called 'Child Protection' business claiming to function by their brand name; running with the lie they are 'helping families and children': the brand name is a disguise as evidenced by the hidden cruelty they inflict onto Australian families...

It cannot be questioned that the so called 'Child Protection Agencies of Australia' corporate industry are masquerading under a false brand name;

Quantitative analysis has been undertaken from publicly available reporting data on government services as well as first-hand testimonies of children and parents, who are victims to these heinous 'child stealing' acts by various department agents, caseworkers and associates and 'Ministers' of the State overseeing these departments - and there are complicit school systems - this is a rogue industry who do not care about children, or how they treat parents or children - and they operate by terrorising families with the threat of gunpoint if the child is not handed over - which is tyrannical intimidation:

The colossal number of children abducted by this heinous industry is done by fabricated reports, out of malice and for profiteering - and the numbers are staggering.

What this does to children and parents is inhumane it is crimes against humanity and child abduction and child trafficking for profit

Analysis

In the 2022 financial year alone - the number of UNSUBSTANTIATED removals was 15601 - lets pause on that for a moment: that is 15 full high schools of children removed from their happy homes - on unverified gossip 'assumptions' - imagine that - in one year - in this country: with 30,000 more substantiated, by nebulous measures.

This means, TENS OF THOUSANDS of children are stolen EVERY YEAR from their safe, happy, loving homes UNSUBSTANTIATED, on groundless claims of assumptions by 'hearsay' of nonsense, gossip reports yet, kept in the system regardless, and not returned to the responsible parents .

Horrific treatment done by 'child protective services' to children and their parents :

Children are snatched by ambush and stolen from their parents on nonsense allegations which are not a risk of harm, by 'assumptions' of a department 'caseworker' (junior clerk), following a sales lead of a gossip report 'notification' - which anybody can make without that credibility tested.' - children are stolen on a 'rumour' then not returned when unsubstantiated - this is abhorrent; these caseworkers are overly empowered by their system masters yet are (complicit) pawns in their beast industry, stealing astronomical numbers of children from competent parents every year, by gossip reports which are unsubstantiated, based on lies and fabricated reports of a 'social worker' or 'caseworker' on the payroll of the heinous child stealing departments that calls itself 'Child Protection';

These 'department are running a business strategy by a 'nonsensical' overstep of the day to day parenting role -

a government 'involving themselves' without necessity on gossip report makers, caseworkers creating controversies on nonsense - to steal children, persecute parents and destroy families, for profit and control - in what is deemed in global reports, as the intentional destruction of pro-family...

-all by the masquerade of 'child protective services' - an industry proven and evidenced, to operate on lies, deception, fabrication, obfuscation and tyranny - and unjustly profiteering by stealing and keeping children from their families - without necessity.

They are not about care. A business is about strategy and money;

and, by the evidenced data; the astronomical number of children removed each year makes for a busy, profitable businesses...

-at the expense of the family unit: A caseworker clerks keep a job, their managers keep a job, a judiciary system keep a job, public servants and 'Ministers of their acts' keep a job; in a major conflict of interest....

At the expense of the immense suffering of children and families by terrorising them, abducting innocent children by ambush and robbing parents of their children who are already happy, safe and loved at home with their loving caring competent parents.

We are not talking about the small percentage of those in wretched situations.

We are talking about the hidden aspect of a BILLION DOLLAR industry designed to steal children, year, on year, often for no required reason - snatched ruthlessly from their homes, from schools, with their entire childhood they knew 'wiped away' as though it never existed ; the parents blocked from all communication.

Children who are wrongly abducted by these state departments are abruptly displaced 'like a commodity' into a foreign environment, blocking them from the love and care of their happy homes, their wishes ignored to return home and their loving parent is blocked from communicating with them... and yet, a society turns its back - due to the false brand name called 'child protective services';

There are horrifying testimonies of innocent children and loving, competent families, put through the terror of being hunted and robbed, and deprived of close kin bonds, causing elongated, torturous suffering, that cannot be adequately described... sometimes, the parent and child die from this torturous deprivation, persecution and separation loss.

Child protective services is the opposite to its brand name.

It is child harm. It is family harm.

It is a thief. And it is a lie.

Children ARE STOLEN WITHOUT NECESSITY - and NOT RETURNED

each child brought into the system in Australia, becomes a "unit", an asset, [and] roughly equates to \$70,000 to \$150,000 per unit (child) in care annually. Special needs children are said to 'cost' (in services) up to \$350 - 450,000 annually; this is further supported by the NDIS. **The more children under guardianship... the more (tax) money is required, resulting in ever-increasing salaries and fees, and profit**

In simple terms, unsubstantiated claims are those that have not been proven, while substantiated claims or reports are those that are backed up by reliable evidence: the data to follow is from publicly available data showing a delineation of children removed from their homes which shows the delta (gap) of overall 'out of home' removals that are **UNSUBSTANTIATED** :

a staggering number of 61,000 children, were taken and put into the state 'out of home' system, which is the year-on-year average, in this country. That is an extraordinary number, - that's more than 60 full high schools – every year. Of that alarming number - a colossal 15601 children were reported to be taken on unsubstantiated grounds and not returned...that is equivalent to more than 15 full high schools of children - removed from their happy homes - on gossip reports and assumptions and self-made controversies conjured by a department worker - who keeps employment by this theft, harm and loss caused to child and their loving parents - who are left with an immense suffering and torture that it is almost incomprehensible. These children unlawfully taken from their happy homes must be returned.....

The most recent available government data showing the colossal number of children taken each year, on unsubstantiated claims

'5-year data analysis – 2022-2016: alarming number of children displaced from their homes with no grounds; The specific data from this report shows that **45548 of 275 065 notifications were substantiated (allegedly)**; that means, **16 percent of all notification were deemed to be 'substantiated'** (by their nebulous metric), Yet a staggering **61149** were still removed (stolen) from their parents care... which means **15601** children in one year alone were stolen from their safe, happy, loving homes - on groundless claims: **unsubstantiated - yet kept anyway !**

That is 15601 children robbed from innocent parents: children that did not require to be removed at all - in one year alone - in our country ! From the research in "The Child Protection Racket", it is estimated that **\$70,000-\$350,000 of funding is handed down for each child 'stolen' in this industry.**

If we look at that estimate for the data alone from the table above, on the most conservative scale, that is a BILLION-dollar figure; of \$1,092,070,000 of funding handed down one year of 'removals', with a minimum of \$624 million made from the component of unsubstantiated, absolutely unnecessary stealing of children.

If this staggering amount of money is made from just the portion of the classified 'unsubstantiated' child abductions – imagine how much profit is made by ALL those in this system – at the expense of innocent children, parents and their families ? Profit, bonuses, promotions... the list goes on...
